WHY CHOOSE US?

At 160candles.com we believe holiday gifts should bring genuine smiles, not just polite thank-yous.

Fun & Personal Touch: We make hand-poured soy candles with humor and character that strengthen relationships and show real appreciation to your team and partners.

Flexibility & Large-Scale Capacity: We combine the custom care and adaptability of a small brand with the capacity and reliability to deliver large corporate orders on tight deadlines.

Transparency & Security: We offer clear communication, predictable processes and 100% natural ingredients — you always know exactly what you're getting and when.

Responsible Choice: We use eco-friendly materials, recyclable packaging and directly support meaningful social and wildlife causes.

THE SPECS BEHIND THE GLOW

Изработката на всяка свещ минава през нашите ръце, като използваме само естествени материали.

- Фитил от черешово дърво или памучен фитил без оловни нишки.
- Натурални ароматни масла, сертифицирани по международните стандарти IFRA и RIFM.
- Соев восък, който е нетоксичен и не замърсява въздуха в твоя дом.

SOY WAX

100 %
RECYCLABLE BOX

The wax

We use natural soy wax instead of paraffin because it:

- is non-toxic
- burns cleaner, without smoke or soot
- lasts longer

The wick

Our wicks are made from cherry wood, which:

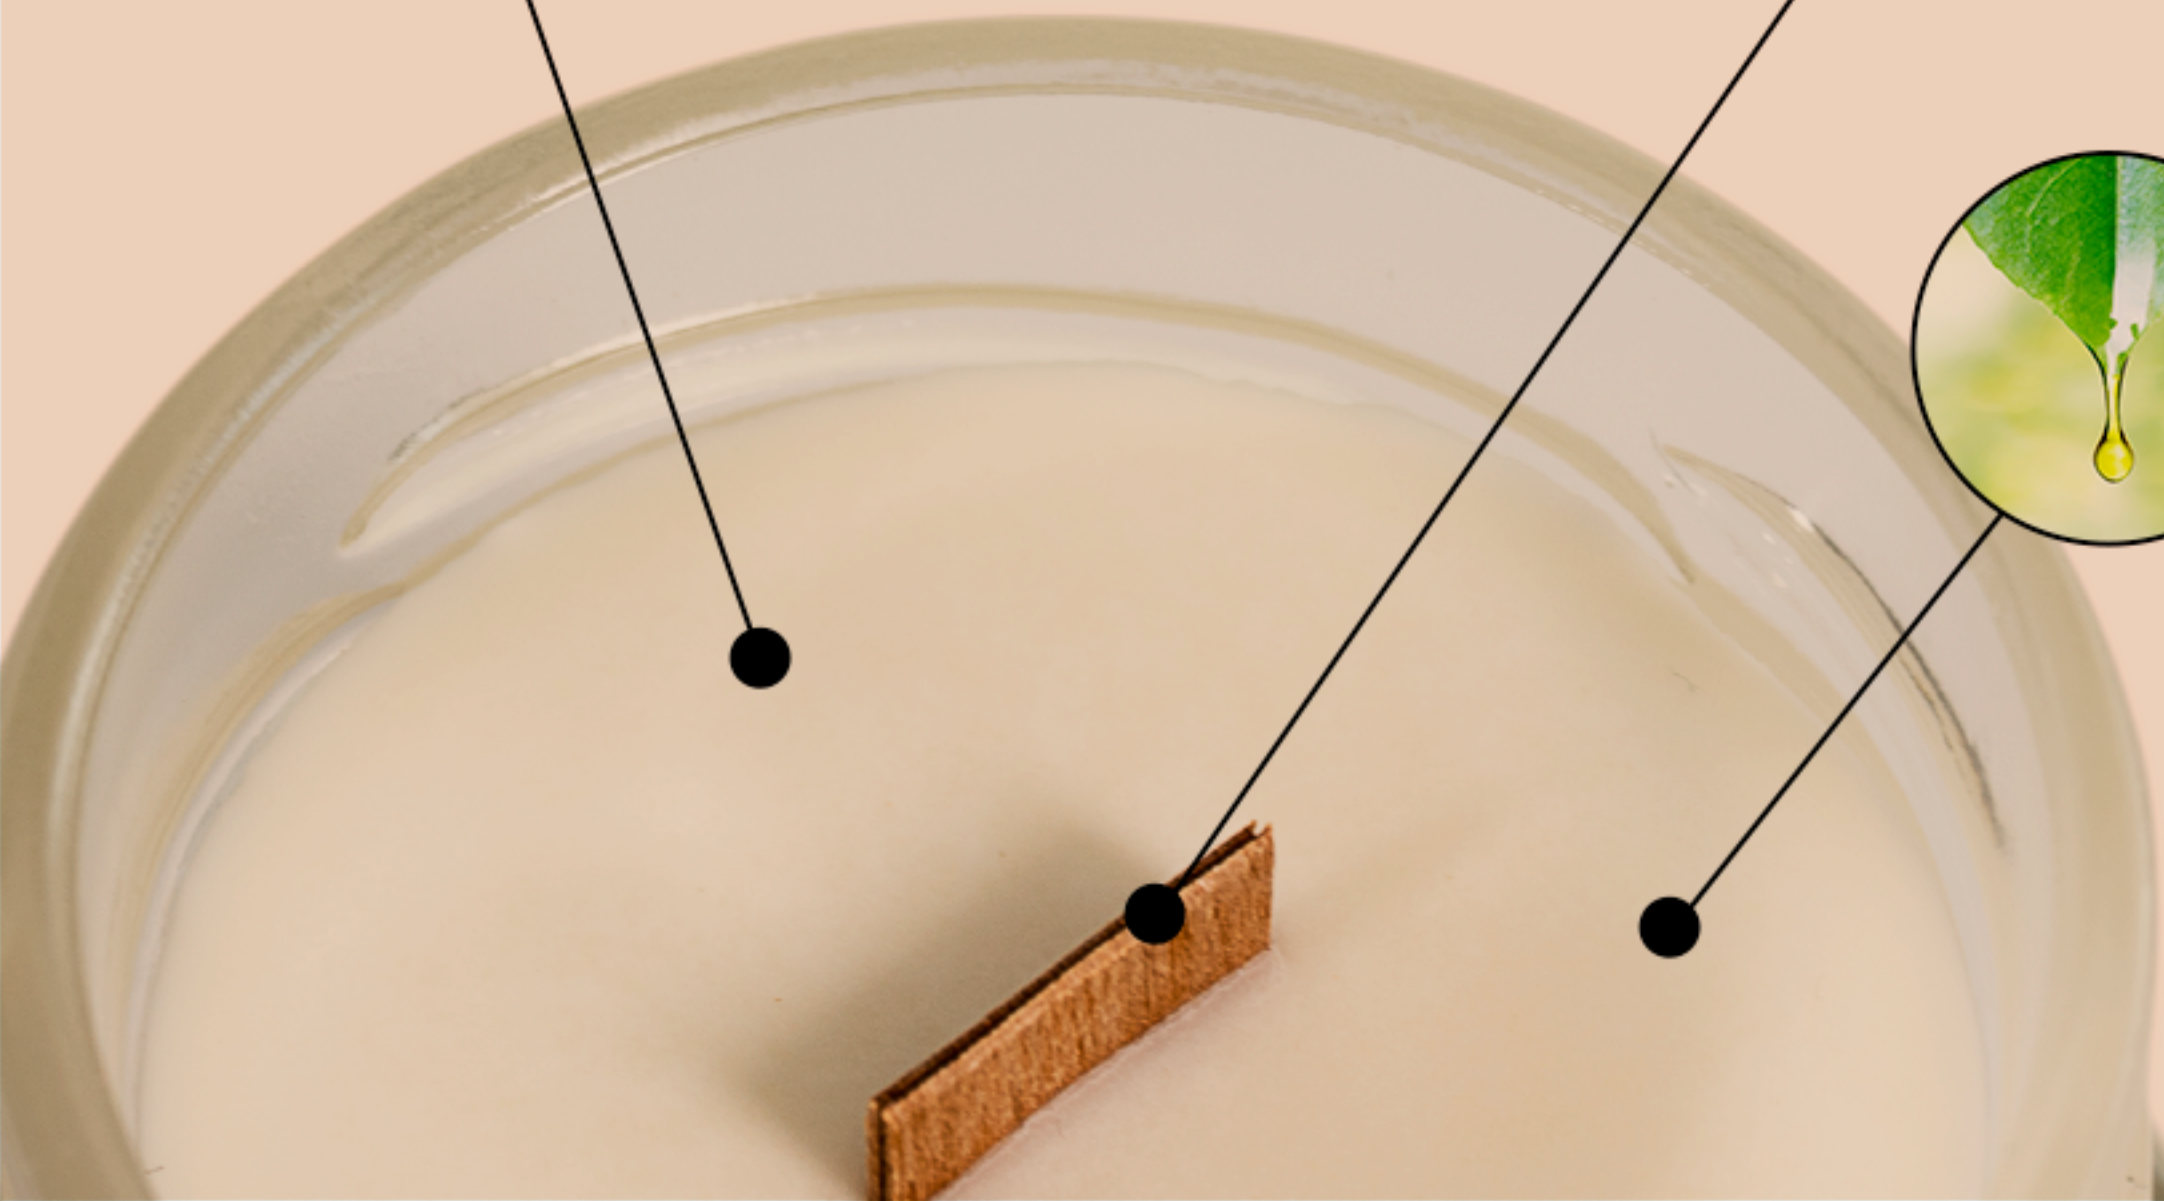

- ensures an even burn
- creates a soft crackling sound
- adds a cozy atmosphere

The fragrances

Our scents are natural perfume compositions, specially crafted for candles, and they:

- burn clean without polluting the air
- offer a delicate, ethereal aroma

WHAT'S YOUR HOLIDAY MOOD?

Choose the scent that fits your Christmas vibe.

GINGER COOKIES

Smells like hot gingerbread, warm vanilla, and stolen cookie dough. Pure holiday bliss!

PURE VANILLA

Cozy, full-bodied vanilla from Norwegian pine bark. A warm hug for your home.

COSY ORANGE

Juicy oranges flirting with warm cardamom. The ultimate winter pick-me-up!

Extremely reliable in meeting the deadlines set for the production of the gifts, our communication was smooth and effortless throughout the entire process, and the gifts turned out wonderful. The MultiSport team fell in love with the reed diffuser, while the personalized candle managed to put a smile on everyone's face.
